WELCOME

To our world

If you are starting a restaurant, Opening a fast food establishment or organising an event, our customizable personalized packaging are the best way to promote your business. Consumer choices are made based on what attracts the eye at first glance. Our Custom designed printing is guaranteed to capture clients' attention and keep them coming back for more. For trade show giveaways, you can attract the attention of passersby and attendees and draw traffic to your booth. Maintaining a brand's legacy is our objective, and while retaining its heritage is foremost for us, we place the future as our focus by being as innovative and progressive as the industry competition entails. We can design a logo for you, or use your own if you prefer, along with a catchy slogan to give you a major edge in the ongoing competitive market.

We deliver products to our customers in a timely manner and to satisfy our customers' fulfillment standards.

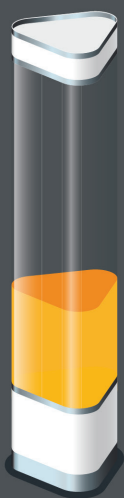

We supply the hot beverage cup market with paper cups and paper soup cups. Our cups are made from the highest quality PEIS cupstock, with secure conveniently fitting lids that snap on to the cups in a perfect fit. We provide the ideal solution for selling your hot beverages. You can choose from our attractive ready stock designs, or we can create a new design according to your needs.
